MINUTES

Mr. D. Hufnagle made a motion that the minutes of the April 2, 2019 meeting be approved. Ms. J. MacKenzie seconded and the motion carried with all in favor.

GRANTS UPDATE

Manager Rivet has submitted two grant applications to fund rehabilitating the trail and one to regrade and pave the playground parking lot and add an accessible trail to the equipment. Notice on the grant funding applications is not expected until fall.

FAIRY DOOR EVENTS

The Parks and Recreation Committee received thank you cards from some of the participants of the Fairy Door events which were passed around for all members to see. There were ten participants in the Find the Fairy Door event and thirteen in the Paint the Fairy door event. Committee discussed moving the Find the Fairy Door event to around the Scout cabin area and establishing a scheduled day and rain date as May 1, 2020 and May 2, 2020. The Fairy Door Painting was scheduled for April 25, 2020 at the Train Station.

EASTER EGG HUNT

The possibility of having a rain date for the annual Easter Egg Hunt was discussed, however, problems with keeping real eggs edible over an extended time period and the holiday schedule made that option too difficult to manage.

ADDITIONAL MEETINGS

Committee gave considerable discussion to holding meetings every month for the rest of the year as a trial for a by-law change, however, only the first Tuesday in September was workable.

HAMMOCKS

J. MacKenzie purchased three hammocks and with the help of Barry Snyder of the Public Works installed them. One hammock was accidentally destroyed by the mowers and has been replaced but not yet installed.

RECREATION PROPERTY FEE SCHEDULE AND FEES

Subcommittee met and their drafted fee suggestions will be available for full committee review at the August meeting.

WINTERFEST TROLLEYS

Committee discussed giving the local trolley company another try for this year for the Winterfest Celebration. Use of McCoolle's short van was also suggested as an alternative.

ADJOURNMENT

There being no additional matters to come before this meeting of the Park and Recreation Board, Chairperson Hallman declared this meeting duly adjourned at 8:38 P.M. The next scheduled meeting will be August 6, 2019 with a walk in the park.
